This isn't good.

My tears won't stop--

The contacts don't fit

Oh.

Artemus?

My contacts
don't fit
The tears
won't stop.

Oh
right,
your
eyes
were
bad

It's
been
so
long

What
was
I
like?
Why
am
I
crying?

Oh—
for Jima?

Yeah.
Really.

And when our
subjects are
different it's
hard to even
pass by each
other.

Haven't seen you
since last year's
bazaar huh?

Oh?
Really?

Reminded of the year party to forget the bad times of the previous year and welcome the new one.

She
probably is...

What?
Did you two
get into a
fight?

No...

What doubts
can you
have with such
a cute
girlfriend?

Speaking
of the
bazaar,
she was
there too.

Remind-
chan

Is
she
fine?

Yeah

No...

Um...
It's ok

Are
you?

you?

I'm
fine

No

I can't
just leave
someone who
tripped on
spontaneity

You shouldn't
be carrying this
much by
yourself

Is this
ok?

That
suits you
just fine

You don't
like it?

Why?

But it suits
you so well

I'll be going now.

I'm glad the flowers seem fine

Thank you

This
sucks

My eyes are
so bad I can't
really see
clearly

—Ah—
My leg—

Ah—

Let me
do it

HEY
HEY

!

Those notebooks,
which one is
yours?

A flower...!

It's like
glass...

How
pretty

Oh, it's
not real.

Hm?

Not
here

Not
here...

This...
belongs to a
girl, right?

And I
don't know
anyone
named
Misaki.

But...

I don't
know
anything
about that
pendant

I found
it here...

Should we put
some distance
between us?

Even though I want to
stay with you more
instead of seeing
you over every
few weeks—

While you
were asleep,
you called out
the name
"Mikoto"

I guess it's
different for
you!

Hello...

so this is the first time that I've done
this and sorry if it's not the best job
ever...I'm no professional....I just want to
share the love...

I have to give special thanks to Lea Nicolais for translating
this for me (and for you)...enjoy...and it goes w/o
saying to support Takarai-san w/ her works if they ever
become available in your country...

Thanks for reading, enjoy and if anyone
knows where to get the raws for chapter 3
share the love!

Seeing the same dream
so many times I've
started to remember
the emotions I felt
during them, like a fog
beginning to clear.

Was it a
heroine from
some drama

but when I wake

I hold a special
sort of feeling,
like that of a
lover's, for the
person in the
dream

Even though
I'm so close
to figuring
it out...

I can't
really
remember
who it
was

I beg your

each other
sometimes...
but I've just met
him again at
campus after
so long

Willing at
of a
sudden? We call

We just
mailed me
saying he
needed
these by
today.

Do it
yourself

but could you
return this to
him? It's the
research materials
I've been
borrowing.

Sorry
about
this

... Ah,
fine...
It's
alright

Thank
you!

I've
already
been late
twice. I
might get
fired!

I have to
get to my
part time job
If I don't get
on the next
train, I'll be
late

What's
Arkawa doing
over here?

Oh?

Why did
he ask
you to...

Said he
was in
a hurry

Here

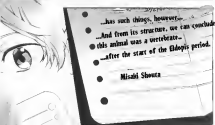

Ah...

...from
Minaki?

Taki
and
Kigawa
and...

Ah...
Hey!

That's him,
but ...

Ah, it's
Akihiro.

At the
station...

...

Are
you
Minaki-
san?

p.s. the literal
translation
is 'I love
you' but since
Arika was
mentioned
having roman-
tic feelings for
Wizaki in his
dreams I
thought 'love'
might be
more fitting

Doesn't
you
wearing a
necklace?

A pretty
flower,
glass-like.

What?

Artkuno is
after Mitsuki
too?

Towards
this guy
It won't be
taken as a
joke.

A
joke?

By—

Artkuno's
calm
down

Look. Because you teased him

What are you going to do about Ranami-chan?

Why are you mentioning Ranami now?

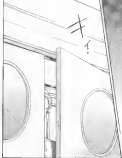

Mitsuki is all played...

Are you okay?

—sahi.
Ooel.
Nisald-
huan?

Suu

He has
it?

—
—
—

I think he
grew to
dislike it.

Working
with
me

No.

the job is there.
I'll manage

Well,
that's that.

I don't mind
it, but I thought
you might have
problems if you
worked on your
own.

But I've looked
for extra help
on my part

By
the
way

I thought
it might
be some
of my
business

I'm sorry,
for
worrying
you

No,
no

He's actually coming here today

Oh?

Is the student from an agricultural major?

No, law major

Calculating microscop and such isn't a one-man job

You can't just gaze into a microscope for hours on end.

Efficient...?

Well, I suppose he studies fairly well...

Law major...

How is it someone from there has any free time?

He's quite efficient, so it's okay.

He seems like some flowers

...???

I wish
you'd
let me do
this much

He's a little
different,
but a fast
learner

Have
him
do some
basic
work

You're an
important
student to
me, after all

He's pretty
scary, you
know.

Besides that,
if you call M.
Mitsuki-sensei
will be mad

So it
was
you!

Hm?

What?

You
know
each
other?

I
wanted
to talk
with you
again.

You seem pretty
happy when you were
gripping about how
boring you were before.
Arihara.

Since I have
a lot of
interest in
you.

Well, yes!

Thank you for writing chapter 1 of *Only the Strong Remain*.
That is chapter 1 and apparently the magazine this issue is
is published 4 chapters a year or something like that, so
we'll have it with a bit for the next chapters...

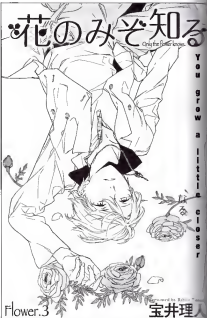

I think chapter 2 comes out on April 15th but don't quote me on that.
So go to the store and...here's chapter 2!

Thanks once again to Lisa Stokols for her contribution!
Goodnight

This is

Arizawa
Youshi-
kun

And this is...

Mitsuki
Shouta-
kun.

As I told
you
before,
he's a law
major
and also a
junior
like
you.

Yeah,
yeah

Listen to
this, it's
so
strange-

We've
practically
just met

Ah
So
you
two
do
know
each
other

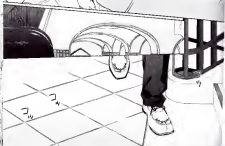

I'll lead
you
to the
labs

I don't
like
him

Follow
me

He's probably
not a bad
person but...

Mitsuki-
kun

Persistent
I know, but
are you sure
we haven't
met
some-
where?

I've already
answered
that back in
the
classroom

We
haven't
met

Like
around
pumpkin
for the
train
station

—
It'd
be
both

I haven't
heard the
answer
for that

Then
what
about
the
neck-
tie?

た
=

Didn't you
lose it?
On a rainy
day

You
sound like
a public
perse-
cutor

Cause it
bugs me,
a lot!

And today,
when you
saw me,
you said,
'The station'

I
have
it

I said that
because it's
what I really
thought

I'll try not
to say it if it
bothers you

And-

I think
I'm a
pretty
good guy

Goh.
He laughed

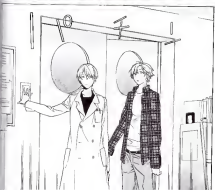

Five

I'll be
the judge
of that
from
now on

You
would
say that
about
yourself?

Yeah, that I just created micro-organisms.

The *Journal of Professional Nursing* is a peer-reviewed journal published by the American Association of Colleges of Nursing (AACN). It is the only journal in the field of nursing that is published by a nursing organization. The journal is published quarterly and is available online and in print. The journal is a leading source of information for nursing professionals and is a must-read for anyone interested in the field of nursing.

What research did you help with?

1. **Introduction**
 2. **Methodology**
 3. **Results**
 4. **Conclusion**
 5. **References**

Well, this is pretty similar

[illegible]

100

Is the
size all
right?

—
What
is
this?

This plant is a real workhorse clone made from a mutation using a part that reacts strongly with carbon dioxide

We grow this in the same environment as the original root and compare the differences between the two to figure out its mechanisms

We normally grow them in the greenhouse, so this is just a sample

That old man is pretty cool

Wow!

You... Don't say 'old man'

He really is amazing

Mi-Micaki-kun made this?

I just look over its growth

Professor Tsujimura makes most of the clones we use for research. The other student and I were only successful about twice. It's difficult getting the plant to adapt outside of the lab

You're
amazing
too

You've been
protecting this
small world

If you follow
the texts,
anyone can
do it

I couldn't do
something
like that

...
That's
-

I
mean
to
say

things you
naturally
seem to
possess

are
things
I'll
never
have

But-
it's good
for now

?

He means me

It's because
the Professor
asked him...

...

What
does
he mean?

By, ah...
-oh right

Thank
you
Arikawa

You can
just call
me
Misaki

I'll also call
you Arikawa

You're
welcome

***Note: A 'graves' is basically a term for when a group of guys and girls = usually the same number for each, go out together with drinking up, is what

with your words the other day, wouldn't there be weird rumors?

I know you have a girlfriend but...

...Are you serious?

Easy with what?

I'm helping Mikael at Professor Tsujimura's lab.

Er?

A professor happened to pass by and warned them

but it didn't look like they were fighting or getting bullied...

Rumors... what kind?

I think only a part of the agricultural majors know, but

They say Mikael was harassed by a junior when he was a freshman.

Ari-kawa...

If he tells me
it's a bother,
I'll stop

I did think
he was
pretty
but...

Sleep
he's
a guy

I see

I never even
thought about it

what
...?

Ah

then
just give
it back
already

I
haven't
said
anything

I meant...
You
probably
don't have
the guts
to do it...

See
He's
good
right?

Really
really

'Good'...
is an
under-
statement...

That
didn't
even
take an
hour

...yes

You're
right.

I should
quickly
find
someone
else

unless we
really need
the help we
can't keep
calling on
outside people

The other labs
were busy too
so I just called
him when he
looked like he
had time, but

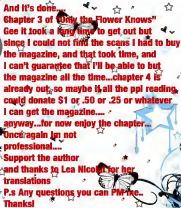

Is he really?
Counting
micro-
organisms?

He also
seems
happy

あはれ

And it's done...
Chapter 3 of "Only the Flower Knows"
Gee it took a long time to get out but
since I could not find the scans I had to buy
the magazine, and that took time, and
I can't guarantee that I'll be able to buy
the magazine all the time...chapter 4 is
already out, so maybe if all the ppl reading,
could donate \$1 or .50 or .25 or whatever
I can get the magazine....
anyway...for now enjoy the chapter...
Once again I'm not
professional....
Support the author
and thanks to Lea Nicolai for her
translations
P.s Any questions you can PM me..
Thanks!
